Motion For Judge Recusal under 28 USC 455 (A), (B), (C)
Motion To Intervene As Plaintiffs under Rule 24(A)2, 24(B)

Comes now, Nicole Büss; Randy Savage; Bernard Hopkins and Jonathan Lee Riches, with newly discovered evidence moves to Intervene in this case under rule 24(A)2 - as a unconditional matter of Right. Zuber v. Allen. We have newly financial statements to present to have the Judge Recused in this case under 28 USC 455 (A), as the Judge failed to recuse himself for having financial dealings with the world wrestling Federation along with attending their wrestling matches and purchasing WWF sportswear, this conflict of interest caused the Judge to be bias in not receiving a fair hearing. We intervene under Rule 24(B) - permissive Intervention to Present documents, exhibits, photographs and to support Nicole Büss. Riches & Hopkins were also sexually harassed by the WWF and have medical records to prove this. Our intervention brings questions of laws and facts that are common in this Action, we can be reached or contacted at the below addresses. Mounts seek a impartial Judge and rehearings in this case.
